APPLICATION REVIEW CONSIDERATIONS

SOFC membership uses the following criteria to evaluate funding requests, in no particular order:

SOFC membership are required to consider the following, per the CSG Compiled Code:

1. Funding need of organization
2. Quantity and degree of students affected by funding
3. Effects on the Ann Arbor, University of Michigan, and greater Michigan communities
4. Effort to obtain funding from other sources
5. Completeness of argument for funding in application
6. Receipt of services from WCG, indicating increased likelihood of success of the event

SOFC membership will be additionally considering this Spring/Summer:

7. Number and type of participants involved in planning and executing event
8. Environmental impact of event, including efforts to reduce waste, energy consumption, and resources intensity
9. Holistic impact on target community
10. Unique nature of event
11. Scope, scale, and timeline of event design and execution
12. Previous SOFC funding activity
13. Financial integrity of organization in recent semesters
14. Whether the event was planned but cancelled due to the COVID-19 crisis, nonetheless resulting in incurred costs for the organization
